.....

.....

Question Three: Summarize the following passage in Two Lines **(2pts)**

Fear is a natural and important human emotion. It helps individuals recognize danger and respond quickly to threats. In psychology, fear is considered a survival mechanism. However, not all fears are the same; they vary in intensity, cause, and impact on behavior.

.....

.....

Question Four: Translate the following Passage from English to Arabic an Academic Translation **(8pts)**

Success

Success means reaching our goals and dreams. It does not come quickly or easily it takes hard work and patience. We must keep trying, even when things get difficult. Learning from mistakes is an important part of becoming successful. Success is different for everyone; for some, it's getting a good job, for others, it's helping people or being happy. Believing in ourselves is the first step toward success with effort and a strong heart, we can achieve anything. We must keep trying, even when things get difficult.
